

Housings avenue du Maréchal Juin

Year:

2012

Adress:

Avenue du Maréchal Juin

Program:

Construction of a building of housing (2 units in duplex).

Project managment:

Immo 5

Project manager:

Goudchaux Architecte & Associés

Mission:

Permis de construire

Area:

167 m²

The plot of land situated in one fabrics semi-pavillonnaire is encircled by a building presenting a facade pine nut and a small office block of the 1970s

This heterogeneous evolumentrie dictates the part of mixed facade.

A simple and rhythmical volume is consolidated by a dynamic and captivating roof of the ridgepole at the foot of the building.
